

Camp Lawrence & Camp Nokomis

Vaccinations, Testing & Arrival Documentation Requirements 2021

The following documentation is required at the Health Screening Check-in based on your child's COVID-19 vaccination status. **Your child will not be admitted to camp if the proper documentation is not provided upon arrival.** Please keep in mind, we are not allowing late arrivals at camp this year, including late/missing test results or other health related documentation. Our camp leadership and medical team are committed to providing a healthy and safe summer for all campers and staff. We appreciate your efforts to join us in this commitment and we request that you plan accordingly.

Vaccination Status	Testing Requirement	Documentation Requirement
Not Vaccinated for COVID-19	Required to be tested for COVID-19*	Provide a copy of a negative PCR test taken within 7 days of arrival at the Health Screening Check-in
Partially Vaccinated for COVID-19 (Less than 14 days after final dose)	Required to be tested for COVID-19*	Provide a copy of a negative PCR test taken within 7 days of arrival at the Health Screening Check-in
Fully Vaccinated for COVID-19 (14 or more days after final dose)	Not required to be tested for COVID-19	Provide a copy of the vaccination card at the Health Screening Check-in <u>and</u> upload it to your account in Camp Brain
Positive COVID-19 test between 15-90 days before arrival	Not required to be tested for COVID-19	Provide a copy of a positive PCR test taken between 15-90 days before arrival at the Health Screening Check-in
Positive COVID-19 test within 14 days of arrival	Not allowed to attend camp	Not applicable

* For those campers that are required to be tested for COVID-19, we will conduct an additional PCR test upon arrival and 5-7 days after arrival.
